

EDUCATIONAL ENHANCEMENT OPPORTUNITY REQUEST FORM

An Educational Enhancement Opportunity (EHO) allows students to have an excused absence to participate in an educational activity outside of the school but be counted present in attendance. To request such an absence please complete this application and return it to your school principal at least five (5) days prior to the event for approval. The event must have a significant educational value and be related to the Kentucky core curriculum. The principal will use his/her judgment to determine if the activity meets guidelines. A student may be approved for up to ten (10) days of EHO absences per year for this purpose. Approved students will be allowed to make up all school work and his/her grades will not be affected by lack of attendance or participation in classes. **EHOs cannot occur during the school's state assessment or District-wide assessments.** Decisions may be appealed to the Superintendent/Designee whose decision may then be appealed to the Board of Education.
